

Please don't make the changes that will affect K-Love. It is a very important part of my family's life. If K-LOVE is displaced by an LPFM broadcaster, we'll have virtually nothing to listen to. I don't want to hear swearing, etc. It is the ONLY radio station that we listen to, and we support it fully. So many in our area need a station like this one - wholesome, for the entire family. It's non-violent, clean talking, uplifting format is just what our community wants. So many people I know listen to K-LOVE, you should be thinking of providing a stronger signal to this wonderful station! Thank you for your time and consideration. Please know that this is extremely important to so very many people.
